Made for iPod

Enjoy photos and videos from your iPod/iPhone

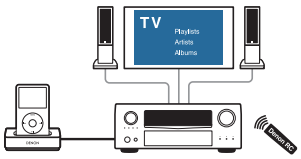
The ASD-11R lets you connect your iPod/iPhone to a DENON component with Dock Control and play the photos and videos stored in your iPod/iPhone.

Enjoy music from your iPod/iPhone in high quality sound

The ASD-11R allows you to connect your iPod / iPhone to a DENON component with Dock Control and play the music stored in your iPod/iPhone without losing sound quality.

Display iPod/iPhone information on your TV

You can monitor iPod/iPhone text information, such as menus and track names, on a TV screen or the front display of a DENON component with Dock Control.



Recharge your iPod/iPhone

The battery is charged automatically when the iPod/iPhone is inserted into the ASD-11R.

Available in black

Supported iPods

The ASD-11R supports iPods equipped with a Dock Connector Port (4th-generation iPod or later, including: iPod classic, iPod nano, iPod touch and iPhone).
